THE PANACA RANCH-JUMPING. - Some time ago, as stated by us at the time of criminal proceeding was instituted against the offending parties. Mr. Atchison appearing a processing a superscript of the company of the com ison appearing as complaining witness. The majesty of the law and the dignity of the State were represented by District Attorney Goldthwaite and Geo. S. Sawyer, Esq., of Pioche, while the accused were defended by our respected fellow-townsman A. B. Hunt, Esq. The Court of James H. Goodrich, Justice of the Peace at Bullionville, was the tribunal before which the knotty legal points in-volved were to be argued and determined. (We should have stated previously that the entire local bar of Bullionville are engaged in the case.) A jury having been obtained, the taking of testimony began on Friday last, and had been continued up to the latest date. How much more estimony will be taken is a mystery which we cannot undertake to solve at this time. We regret that we have no reporter at the scene of this important legal controversy. We hope, however, to receive from counsels a more extended report of the trial.

MISCEGENATION .-- A colored woman, who enjoyed the distinction and felicity of having a white man for a lover, was brought to grief day before yesterday by the abrupt departure of her faithless paramour, who came up missing one morning, together with \$500 of her hard earnings. She was disconsolate, of course, and sought consolation in the flowing bowl. The man took passage by a freight wagon bound for Utah.

BULLIONVILLE.-By a letter from Justice Goodrich, of Bullionville, we learn that Mr. Edwin Moody and Miss Mary Wilson were united in marriage on the evening of the 24th (see usual notice under the marriage head). On the same evening a child was born at Bullionville to the wife of Mr. McNally. Bullionville is fast becoming a lively town.

THE ABGUMENT CLOSED .- The whole of yesterday was occupied by Judge Garber in his argument in favor of the motion for a new trial in the case of the Raymond & Ely vs. the Hermes. At the close of Judge Garber's argument the Court adjourned. Judge Garber will conclude his argument to-day.

Ouclude his argument to-day.

almost unprecedented storm of wind has prevailed during the last three days. It did not attain the dignity of a tornado or a hurricane, but it whirled things around at a furious rate. Day before yesterday a shed attached to the livery stable of Geo. C. THE MASONIC BALL.-The ball given at Brown's Hall, on Tuesday evening, by the Masons of Pioche, in honor of St. John the Evangelist, was a very successful affair. About fifty ladies, fashionably and elegantly attired, graced the occasion with their presence, and a large number of gentlemen were in attendance. The ball was handsomely decorated with evergreens and flags, and months yet to come. Section 2 of the Incorporation Act provides that—
